**compasses** is a quarterly magazine set up in Dubai in 2007.

The magazine is a unique showcase of Middle Eastern continuous transformation into a charming, dynamic and contradictory anthropized environment. In its pages you can appreciate new trends in urban planning, architecture and design, with a strong influence from both Europe and the rest of the world.

Compasses is now after fifteen years of "publishing" a media platform of contents and ideas, targeting architects, interior designers, consultants, traders, developers and the world around the construction and design industry.

A high quality illustrated printed magazine targeting the right person for your business

index book

**[editorial]**

The main topic of the issue is presented and discussed by the scientific director

**[essays]**

This section proposes reflections and ideas concerning the main topic of the issue based on a critical and historical approach

**compasses plus** is a light version of Compasses magazine, focused on architecture, interior design and urban planning related to the main exhibitions and conferences of the area.

A different magazine is published for each of the events

where we are present – focusing on the main topics of the event with articles regarding the event itself and others on topics related to it. With free distribution on the racks in the exhibition area and directly from our staff. Digital version sent to our data base. Compasses Plus is the way to have a strong visibility before and during the exhibition.
