Compassesworld is considered the most knowledgeable international interior design and architecture platform in the Middle East. An architecture and interior design integrated communication system conceived and operated entirely in the Middle East and in particular in the

compasses app

The network stands out from other international media as it dedicates at least 40% of its editorial to projects conceived and realized in MENA Countries.

the [c] hetwork | the platform

compasses is a quarterly magazine set up in Dubai in 2007. The magazine is a unique showcase of Middle Eastern continuous transformation into a charming, dynamic and contradictory anthropized environment. In its pages you can appreciate new trends in urban planning, architecture and design, with a strong influence from both Europe and the rest of the world.

compasses is now after 15 years of "publishing" a media platform of contents and ideas, targeting architects, interior designers, consultants, traders, devolpers and the world around the costruction and design industry. A high quality illustrated printed magazine targeting the right person for your business

index

compasses plus is a light version of Compasses magazine, focused on architecture, interior design and urban planning related to the main exhibitions and conferences of the area. A different magazine is published for each of the events where we are present – focusing on the main topics of the event with articles regarding the event itself and others on topics related to it. With free distribution on the racks in the exhibition area and directly from our staff. Digital version sent to our data base.

Compasses Plus is the way to have a strong visibility before and during the exhibition.
